1 Pud is for pirusal.

The Divl., Commr., has sent the proposals sent ~~to~~ by the DC, Karwar along with the records. The DC has stated that the area involved for regularisation is 20 guntas in F.S. No. 73 of Hutkhand, out of which 4 guntas are utilised for housing purposes & the remaining area of 16 guntas are used for fruit cultivation by Sri. Gopal Krishnappa Adkenar of Hutkhand. But the C.F., Belgaum is not in favour of release of an area of 16 guntas ~~but~~ and also he is not in favour of the release of 4 guntas which was used for house building unauthorisedly. However,

11) This is about the disforestment of an area of four guntas out of F.S. No.73 of Hutkhand Village, Yellapur Taluka as recommended both by the Divisional Commr. Belgaum and C.C.F. as a spl. case in favour of the encroacher one Shri Gopalakrishna of Saharhalli who has incurred expenses to the extent of Rs.3,000 to construct the house on the encroached portion of four guntas. In NF.6 above, R.D. observe that it may be made clear that as a general rule, encroachments should not be regularised. It is for orders whether merely on the ground that the encroacher has incurred certain expenses, his encroachment should be regularised. It would then perhaps be open to other persons to rush upon Govt. forest land and build houses and then claim regularisation of encroachment. Vide para 3 of CF.1, it is found that the applicant holds khuskhi land to the

extent of 57 acres, 8 guntas. How he has been allowed to build a house in forest land without prior permission needs to be made clear in greater detail.

However for orders.

Secretary, A. & F.

M (Forests)

It appears that the party has got 57 acres 8 Guntas of land (dry) and has encroached nearly 20 Guntas of forest land for the construction of a House and garden attached thereto. The Revenue officers recommend for the regularisation of 20 Guntas but the C.F recommends for only 4 Guntas occupied by the House which nearly costs Rs 3000/-. I don't know why action was not taken in the early stages by the officers concerned. Again, the party must be a big man. Hence he gets this kind of consideration. It is submitted for kind orders whether we can accept for regularization of 4 Guntas only.

No. FOR-TR-2975 Karwar, 10-5-1962.

Sir,

Subject:- Regularisation of encroachment in an area of 0-20-0 gunthas out of F.S.No. 73 of Hutkhand in Yellapur Taluka..

Reference:- Your No. FOR-SR-618 dated nil of Nov. 1961 and this office No. FOR-TR-2975 of 6-4-62.

In submitting the papers of the case received under A.C.S.D's No. LND-NCR-SR-II-257 of 25-1-62, I have to state as under :-

2. Reference is invited to this office letter of even No, dated 12-1-60 addressed to Government in the Agricultural and Forests Department at page 51. The area involved for regularisation in this case is 0-20-0 gunthas in F.S. No. 73 of Hutkhand, of which four gunthas, are utilised for house cattle-shed and Silo-pit, and the remaining 16 gunthas are used for fruit plantation. The conservator of Forests, B.C. Belgaum also concurrs with the views expressed in paras 4 and 5 of this office letter at page 51 and recommends that the matter may be referred to Government as a special case and necessary orders obtained for regularising the encroachment of 4 gunthas only.

3. As regards the area of 0-16-0 applied for by the applicant for fruit-cultivation, the conservator does not recommend the request in as much as he already holds much lands. Further enquiry instituted in this connection discloses that the applicant's holding in terms of Khushki comes to 57-7-8 A.G.As. and so he will not be eligible for additional grant.

6081

The matter may therefore be referred to Government and necessary orders as regards regularisation of enchroachment of 4 g.A only 0-4-0 as proposed in para 2 above, may kindly be

(P.T.O)

obtained.

Yours faithfully,

T. S. Narayanan

Sir,

In forwarding herewith the Deputy Commissioner, North Kanara's letter No.FOR.T.R.2975 dated 10-5-62 I have to observe that, as the encroacher has spent a considerable amount, to the tune of Rs. 3000/- to construct a house in the encroached portion of 4 gunthas of land and as the Forest Department has no objection to granting the same to the encroacher after regularisation the proposals of the Deputy Commissioner, North Kanara to regularise the encroachment in the built up portion of only 4 gunthas , out of S.No.73 of Huttakhand is recommended. Government may kindly be moved accordingly and the orders issued may be communicated early.

The connected records is accompany.

Sir,

Sub:-Forest land- North Kanara-S.No.73 of Huttakhom Taluka Yellapur at - Encroachment -Regularisation.

Ref:-Your letter No.AFD 30 FGL 62 dated 3-7-1962.

The Divisional Commissioner, Belgaum, recommends disforestment of the area on the ground that the encroacher has spent considerable amount, to the tune of Rs.3000/- to construct a house. If encroachments are regularised as a fait accompli, it will directly encourage people to encroach upon forest land and then ask for regularisation of the encroachment. Regularisation of the encroachments will ultimately result in reduction of the forest area which is against the National Forest Policy. However as the encroacher in the present case is reported to have invested huge amount for the construction of the house and as the dispossession of the applicant at this stage is likely to cause considerable hardship to him, there is no objection to the disforestment of the area as a special case.

The connected records are returned herewith.

Yours faithfully,

Chief Conservator of Forests.
